WEEKDAY DRESSMAKING

The dressmaking courses are perfect for the person who wishes to learn how to use a commercial pattern. Ideal for beginners to advanced, young or mature.

No previous experience is required. Teaching is by individual attention within a classroom environment to cater for different skill levels from beginners to advanced. Beginners are advised to choose a simple pattern of a skirt, trousers or simple dress to enable them to learn the basic sewing techniques, while students at a more advanced level may choose a more complicated pattern e.g; suit or coat. This course is suitable for beginners and the more advanced as classes are small. Please note that this course requires materials.

## EQUIPMENT REQUIRED

Commercial pattern to your nearest measurements, fabric tape measure, dressmaking pins, fabric scissors, paper scissors, hand sewing needles, threads, seam ripper, any other requirements of the pattern, e.g; zip, buttons, lining etc.
